Description

Beautiful example from the esteemed Egemar yard. Excellent attention to detail with only the best materials used. Stored every winter in warm and only used for 4 months annually.

FURTHER BROKER'S COMMENTS:

This magnificent Egemar Offshore 48 is a great example of a well-kept yacht. No expenses has been spared in the service and upkeep of the boat. Stored every year in dry and warm facility for 9 months and very lightly used through the summer months. Sailed since 2007 in the Finnish archipelago, her owner has kept this yacht in perfect condition. ADA is very stable even in rough conditions and drives smoothly with a speed of 9-25 knots. With Her consumption only being 2,2, l/ Nm at 9 knots.

ADA boasts many specification highlights including:

- GRP hull with mahogany external trim
- Dark blue topsides with cream superstructure
- Teak laid decks
- Twin Yanmar 440hp 6-cylinder diesel engines with very low hours run
- Shaft drives
- Bowthruster
- Raymarine chart plotter with radar
- Simrad autopilot
- VHF
- Dynamica 220vAC diesel generator
- Updated Mastervolt battery charger and inverter
- Updated battery banks
- Webasto diesel heating system
- 2-cabins, 2-heads interior layout with lower galley and upper day galley
- Multiple fridges and freezer
- Underwater lighting
- Custom helm seat

MANUFACTURER'S BACKGROUND:

EGEMAR has been active in the marine industry since 1983. Their ultimate goal is to help clients enjoy their boating experience. Their two main activities are Classic Boat Building and Yacht Equipment Trading.

Boat building activity of EGEMAR is one of the world's biggest operations in the field of classic styled boats. 160 skilled craftsmen build 70 boats per year between 29-74 feet length in a 6.000sqm facility. Their tradition is based on the centuries old Ottoman historical heritage of boatbuilding talent unique in the Mediterranean region. Supported by four engineers at our in-house design office, they produce different types of classic boats for customers around the world.
