

## 1998 Pendennis Wally 106

€2,500,000 tax paid

Iconic recently-refitted carbon fibre superyacht

### General Information

<b>Manufacturer/Model</b>	Pendennis Wally 106
<b>Designer</b>	Luca Brenta & Co.
<b>Year</b>	1998
<b>Category</b>	Sail
<b>New or Used</b>	Used
<b>Sale Status</b>	Available
<b>Price</b>	€2,500,000
<b>Tax/VAT Status</b>	Tax paid
<b>Lying</b>	Athens, Greece

Reference 2077187

## Specifications

<b>LOA</b>	32.7m
<b>LWL</b>	28.72m
<b>Beam</b>	7.9m
<b>Draft</b>	5m
<b>Displacement</b>	75000kg
<b>Engine</b>	Scania DI946 385hp
<b>Fuel</b>	diesel
<b>Fuel Capacity</b>	4300l
<b>Hull Construction</b>	Carbon / Kevlar composite
<b>Keel Type</b>	Fin Keel
<b>Berths</b>	6
<b>Cabins</b>	3
<b>Drinking Water Capacity</b>	2500l

## Description

Iconic recently-refitted carbon fibre superyacht to designs by Luca Brenta and with interiors by Lazzarini Pickering with construction by Pendennis. Truly ahead of her time and build and still leading the way today.

### FURTHER BROKER'S COMMENTS:

WALLY B is arguably one of the most iconic sailing superyachts of all time. One of the very first full-carbon constructed superyachts, WALLY B was crafted by Pendennis in Falmouth UK to designs by Luca Brenta & Co and featuring the most stunning contemporary interior deigned by the Italian Lazzarini Pickering Architetti.

Designed to offer racing yacht performance, but with all the comfort of the most luxurious super yachts, WALLY B boasts uncluttered deck spaces, expansive outside seating and sunbathing areas, and the most beautiful 3-cabin plus crew interior of warm cherry with contrasting exposed lacquered carbon, polished stainless steel and the finest quality leather and cloth upholsteries.

Meticulously maintained since her launch, WALLY B has also benefited from a number of major refits, the most recent being in 2019/2020 in her present ownership.

Her specification highlights include:-

- Built at Pendennis shipyard under original ABS classification
- Beautiful Lazzarini & Pickering custom leather and exposed Carbon interior
- Full Carbon fibre & Kevlar hull construction
- Carbon Sothorn Spars rig with Park Avenue boom and self-tacking jib
- Extensively refitted with most recent refit in 2019/2020
- Accommodates six guests in three staterooms and up to 5-6 crew in three cabins
- Full beam Owner's cabin forward
- Unique deck lounge with retractable bimini
- Recent hull and superstructure repaint
- Teak deck replaced circa 2014
- Updated keel fitted - circa 2016
- Hydraulic bow and stern thrusters
- New batteries
- New electronics
- New tender

WALLY B is now offered for sale as her owner is looking to consolidate his fleet.

### BUILDER'S COMMENTS:

WALLY B is a luxurious Yacht as simple as a dinghy to sail and as fast as a Maxi racer, featuring breakthrough interiors by Lazzarini Pickering Architects that made a bold statement in Yacht design when she was built at Pendennis in 1998.

Winner of the 1999 ShowBoats award "Best Sailing Yacht Under 38m", and the 1999 Super Yacht Design Award "Best Sailing Yacht Under 36m".

Designed by Luca Brenta & Co, she features state-of-the-art styling, design, construction, sail-handling and accommodation. The

hull was constructed with the latest materials including carbon, kevlar and high temperature resins. The outer skin being 100% kevlar while the inner skin is all carbon separated by structural foam core – the deck and rig are also 100% carbon. Featuring Wally's simplified sail handling system, the full performance of this exceptional Yacht can be achieved with the minimum of crew.

## Specification

### CONSTRUCTION

Hull, Deck & Superstructure Construction:

- Carbon and Kevlar sandwich construction with Kevlar outer skin, carbon inner skin and structural foam core.
- Full topsides and superstructure repaint (white) - 2019
- Carbon deck and super structure
- Teak laid side decks and cockpit

Keel & Rudder:

- Lead fin keel externally bolted
- Carbon fibre spade rudder

### MACHINERY

Engine & gearbox:

- Scania MI 9 385hp diesel engine
- Fresh-water cooled engine
- Twin Disc reduction gearbox
- Electronic throttle controls at both helm stations
- Engine extensive service – 2019
- Cruising speed under engine – approx. 10 knots

Propulsion & Steering:

- 4-blade MaxProp feathering propeller
- Shaft drive with stainless steel prop shaft
- Hydraulic bow and stern thrusters
- Wheel steering with twin carbon fibre helm wheels
- Emergency steering gear

### ELECTRICAL SYSTEMS

Voltage systems:

- 24vDC domestic systems with 220vAC via shore-power, generators or inverters

Battery Banks:

- Battery banks replaced 2019 with 72 batteries and total capacity of 1,900AH
- Separate battery banks for engine start, generators start, services and electronics.
- Battery monitoring systems

Charging/Inverters:

- 220vAC battery charging systems
- Mastervolt 4kw and 3kw 220vAC inverters - 2019

Alternator:

- Engine-mounted alternators

Generators:

- Onan 25kw 220vAC generator
- Onan 17kw 220vAC secondary generator

Other Electrical:

- Shore power connection with 220vAC sockets

### PLUMBING & GAS SYSTEMS

Fresh Water:

- The hot freshwater circuit is led into a well-insulated hot water tank, heated by engine or 220vAC immersion heater elements
- Fresh water filtration system

Watermaker:

- Omosea 230l/h 220vAC reverse osmosis watermaker

Bilge Pumps:

- Bilge pumps
- Bilge alarms

## TANKAGE

### Fuel Capacity:

- Approx 4,300 litres fuel capacity

### Fresh Water:

- Approx 2,500 litres fresh water capacity

### Holding Tanks:

- 1x blackwater holding tank
- 2x greywater holding tanks

## NAVIGATION & COMMUNICATION EQUIPMENT

- Multifunction Integrated System – GPS, Plotter, AIS, Radar, Echo-sounder etc. - completely replaced and updated 2019
- 1x Raymarine Quantum 2 Doppler radar - 2019
- 1x Raymarine Autopilot EV-300 - 2019
- 1x Simrad forward looking Echo-sounder - 2019
- B&G Multifunction System with 16 Displays
- 1x Furuno NavNet
- 2x GPS Furuno GP-150

### Communications Equipment:

- Sailor Inmarsat C
- Sailor VHF DSC 6222
- Simrad VHF RS87
- Furuno VSAT
- GSM Telephony
- 4G WiFi System

## DOMESTIC EQUIPMENT

### Galley:

- Siemens oven with grill
- Custom made extraction hood
- Miele 4-burner ceramic hob
- Miele microwave oven
- Refrigerator 400 lt
- Deep Freezer 250 lt
- Wine cooler
- Ice maker

### Heads:

- 24vDC electric fresh water flush heads throughout
- Hot & cold pressurised water supplies with shower in heads

### Laundry:

- Bosch washing machine,
- Bosch tumble dryer.

### Air-Conditioning:

- Antaria 220vAC reverse-cycle air conditioning throughout interior

### Entertainment:

- Crestron central Entertainment system
- Lynn Amps & Speakers
- KVH SatTV
- Apple TV
- BlueRay
- 4 TVs
- 6 x iPads to control all Lighting, A/C, Hatches, Entertainment System

## ACCOMMODATION

### Summary of Accommodation:

- Owner's Stateroom with ensuite Bathroom and separate head and shower
- 2x Double Guest cabins with ensuite Bathroom

- Crew: 5 crew in 3 cabins with ensuite facilities

#### Accommodation Finish:

- Interior design by Lazzaarini & Pickering
- Cherry joinery with contrasting lacquered carbon fibre and polished stainless steel
