| Designer | German Frers / Ocke Mannerfelt |
| Year | 2005 |
| Category | Power |
| New or Used | Used |
| Sale Status | Available |
| Price | €129,000 |
| Tax/VAT Status | Tax paid |
| Lying | Ibiza, Spain |
| Reference | 1737748 |

Specifications

| | |
|--------------------------------|-----------------------|
| LOA | 11.1m |
| Beam | 3.37m |
| Draft | 0.9m |
| Engine | 2x Volvo KAD300 285hp |
| Engine Hours | 521 |
| Fuel | diesel |
| Fuel Capacity | 700l |
| Max Speed | 72.228kph |
| Hull Construction | Composite sandwich |
| Cabins | 0 |
| Drinking Water Capacity | 150l |

Description

Design ingenuity, style and attention to detail from three nations; Italy, Switzerland and Argentina have come together to create this extremely cool & very capable fast tender or day boat, ideal for some fun-in-the sun!

FURTHER BROKER'S COMMENTS:

The Italian flagged T/T MARISNA, launched in 2005 and with just 521 hours on her twin Volvo Penta Aquamatic Duoprop KAD300/DP engines, each producing 285-hp with their counter-rotating stainless-steel propellers and combined with hydraulic power steering, she must surely make for the most effortlessly fast and stylish tender/dayboat, which is sure to turn heads wherever she goes! With space for 12 people and with plenty of performance of between 35 & 39 knots, practical features such as her Mase Generator, her large sun bed located to aft, open transom and bathing platform plus numerous seating positions; most covered by a practical hardtop, she would surely excel as either a fast and stylish super yacht tender or for just fun day trips with family and friends.

Specification highlights include:

- Volvo Penta KAD300/DP engines, each producing 285-hp.
- Duoprop stern drives with stainless steel counter-rotating propellers.
- Generator.
- Bow thruster.
- VHF radio.
- GPS chart plotter.
- Tridata compass/speed/depth.
- Retractable mooring cleats.
- CD Player with cockpit speakers.
- Rigid T-Shaped hardtop.
- Teak to side decks, cockpit, foredeck and bathing platform.
- Electric heads under a console.
- Hydraulic power steering.
- Refrigerator.
- Additional LED lighting kit with remote control.
- Under water fibre optic lighting.
- Bathing platform shower.
- Cockpit seating with replaced upholstery.
- Forward & aft sun beds with replaced upholstery.

Specification

CONSTRUCTION

RCD Status:

- Our understanding is that the vessel conforms with the essential safety requirements of Directive 94/25EC (Recreational Craft Directive) and is categorised 'B' with a maximum of 12 persons.

Hull, Deck & Superstructure Construction:

- polyester resin, honeycomb sandwich, balsa sandwich construction.
- 'T-Top' hardtop structure providing a structural bimini over the helm position area and the seating area.
- Teak and caulking to the soles of the side decks, cockpit, foredeck and bathing platform.

MACHINERY

Engine & gearbox:

- 2x Volvo Penta KAD300/DP 6-cylinder 4-valves per cylinder engines, each producing 285-hp (570hp combined).
- Engines have a silenced compressor, turbo and aftercooler controlled an EDC (electronic diesel control) for improved torque throughout the rev range whilst also improving fuel economy and emissions.
- Seawater cooled exhaust elbow of cast iron with a stainless-steel insert.
- Exhaust driven freshwater cooled turbo.
- Belt-driven compressor with silencer of an absorption type on both the inlet and outlet port.
- Duoprop stern drives with counter-rotating propellers helps to improve better top speed, acceleration and driveability combined with better steering and maneuvering.
- Seawater strainer and impellor pump.
- Volvo Penta engine control panel.
- Digital instrument for drive trim angle with Power Trim for electrically operated hydraulic trimming of the boat.
- Electronic digital throttle/gear controls.

Maintenance & Performance:

- Engine hours: approx. 521 hours as of March 2019.
- Cruising speed: approximately 35 knots.
- Maximum speed: approximately 39 knots.
- Engines last serviced - 2019.
- Water pump replaced – 2019.

Propulsion & Steering:

- Stainless steel counter-rotating propellers.
- 12vDC bow thruster.
- Hydraulic power steering.

ELECTRICAL SYSTEMS

Voltage systems:

- 12vDC domestic system with 220vAC via shore power or generator.

Batteries:

- Battery Banks: Engine start batteries and service batteries linked in parallel - 2018.

Generator:

- Mase Generator.

Alternators:

- 2x engine-mounted 12v 60A alternators with Zener diodes to protect the system from peak voltage.
- Charging regulator with battery sensor for maximum use of the alternator.

Shore Power:

- 220vAC shore power connection.

PLUMBING & GAS SYSTEMS

Fresh Water:

- Water is pressurised by 12vDC high-pressure pump system.
- Cold freshwater pressurised water supply to the Heads compartment and bathing platform shower.

Bilge Pumps:

- Manual bilge pump.
- Electric bilge pumps.

TANKAGE

Fuel:

- 2x 350 litres fuel tank capacity with tank level indicator.

Fresh Water:

- 150 litres water tank capacity in 1x tank with tank level indicator.

Holding Tanks:

- 50 litres black water holding tank with tank level indicator.

NAVIGATION & COMMUNICATION EQUIPMENT

- Raymarine GPS chart plotter.
- Raymarine Tridata – depth, speed & compass.
- Raymarine VHF radio.

- Helming compass.

DOMESTIC EQUIPMENT

Galley Equipment:

- Refrigerator.

Heads:

- Sink with hot & cold pressurised water supply.
- Electric marine flush heads.

Entertainment:

- Sony CD Player with cockpit speakers.

ACCOMMODATION

Heads:

- Compartment housing the heads accessed from the cockpit.
- Marine electric flush heads.
- Sink with hot & cold tap over.
- Glass fronted cabinet for storage.
- Teak & holly to the cabin sole.

DECK EQUIPMENT

General:

- Central helm's seat with further seating to either side, upholstery replaced - 2019.
- Tinted windscreen.
- 2x additional seats behind the helm seating, upholstery replaced 2019.
- Both rows of seats are covered by the T-shaped hardtop which has two supports, a search light and a mast with navigation lights.
- Aft double sunbed, upholstery - 2019.
- Forward double sunbed, upholstery replaced - 2019.
- Cockpit, foredeck area and bathing platform are all covered with teak and caulking.
- Teak capping to the hull with integrated hand holds.
- LED lighting with remote control.
- Underwater lighting to the hull.
- Stainless-steel bathing ladder.
- Removable stainless-steel aft awning supports.

Anchoring & Mooring:

- Retracting bow anchoring system.
- Stainless steel anchor with anchor chain.
- 12vDC electric anchor windlass.
- Stainless steel retractable mooring cleats.
- Stainless-steel fairleads and matching sampson post to the bow.
- Warps & fenders.

Covers, Cushions & Canvas:

- White coloured cockpit upholstery to the seats.
- Forward and aft sunbeds with custom fitted white coloured cushions.
- Additional weather resistant covers for the cockpit seats and sunbeds.

SAFETY EQUIPMENT:

General note on safety equipment: Any safety equipment such as liferafts, Epirbs, fire extinguishers and flares etc. are usually personal to the current owner(s) and if being left on-board as part of the sale of a used vessel may require routine servicing, replacement, or changing to meet a new owners specific needs
